

Champion's Choice[®] Cobalt Iodized Salt

A fine-screened salt with cobalt and iodine that helps cattle, sheep, and goats synthesize vitamin B12 and plays a role in thermoregulation, intermediary metabolism, and reproductive growth and development. Iodine deficiencies in livestock can lead to goiter (an enlargement of the thyroid gland), a condition most often found in young animals.

Guaranteed Analysis

		%	PPM
salt	min	95.00	950,000
salt	max	99.90	999,000
cobalt	min	0.010	100
iodine	min	0.011	110

Ingredients

Salt, Calcium Carbonate, Cobalt Carbonate, Calcium Iodate, Mineral Oil, FD&C Blue #1 Lake.

Feeding Instructions

Feed this supplement free choice to beef cattle, dairy cattle, sheep, and goats. Ensure adequate supply of roughage and fresh water is available for all animals. **NOT FOR HUMAN USE.**
