

Diamond Crystal® Fine Sea Salt for Foodservice

Elevate your Dishes

“Made with Sea salt” can elevate a dish from ordinary to artisanal. It has been said that you eat with your eyes first so let the feasting start with the menu. Sea Salt communicates that you truly care about your finished product and can enhance both the flavor of your dishes and their menu appeal. Even if sea salt doesn’t appear on your menus, your customers will take notice of the great flavor and visual appeal that comes from Diamond Crystal® Sea Salt.

Made Naturally with Sun, Wind and Time®

Diamond Crystal® Sea Salt comes from the waters of the Pacific Ocean and are produced through years of natural sea water evaporation, captured in shallow ponds in Northern California. Diamond Crystal® Sea Salt is harvested only when it is ready.
